S Stephen Neel Kamal CSE (AI)

Phone: +91 8825868457 | Email: stephenneelkamal@gmail.com

Objective

Final-year B.Tech Computer Science (Artificial Intelligence) student with knowledge of Python, SQL, Java, and Machine Learning concepts. Passionate about data analysis and developing data-driven solutions. Seeking an entry-level opportunity to apply technical skills, gain industry experience, and contribute to organizational growth.

Project

Exploratory Data Analysis (EDA) on Iris Dataset

- Performed EDA using Pandas, Matplotlib, and Seaborn.
- Conducted univariate and bivariate analysis (histograms, boxplots, pairplots).
- Identified Petal Length and Petal Width as key features for classification.
- Observed linear separability of Setosa and overlap between Versicolor and Virginica.

Real-Time Social Media Analytics for Brand Monitoring

- Cleaned and preprocessed data
- Conducted statistical tests for decision support
- Developed machine learning models for prediction
- Collaborated on A/B tests, increased click-through

TIC TAC TOE - Second year Project

- Developed a fully functional Tic Tac Toe game using Python.
- Applied logical structures and modular programming concepts, enhancing programming skills.

Internship

Python Internship – Slash Mark (AICTE)

- Worked on Python-based projects focusing on Object-Oriented Programming (OOP).
- Used classes, objects, methods, and control structures to build modular applications.
- Strengthened Python fundamentals through hands-on coding tasks.

Data Science Internship at Skillbit Technologies (Aug 2025 – Sep 2025)

- Worked on the Iris dataset for data analysis and classification.
- Applied machine learning algorithms to classify Iris Setosa using petal and sepal features.
- Gained exposure to data preprocessing and ML workflows.

Education

Sri Venkateswara College of Engineering and Technology – Chittoor (Final Year)

CSE (AI) – CGPA 8.0 Expected Graduation: June 2026

Technical Skills

- Python
- SQL
- Java
- Jupyter Notebook
- VS Code

Soft Skills

- Problem Solving
- Analytical Thinking
- Team Collaboration
- Communication Skills
