EXPERIENCE

Vakilsearch — Chennai
Senior UI/UX Designer — Feb 2024 - May 2026

- Led end-to-end UI/UX and Product Design for complex web and mobile experiences.
- Translated business and user requirements into user flows, wireframes, prototypes, and high-fidelity UI.
- Conducted UX research, competitive analysis, and usability testing to improve product experiences.
- Designed complex workflows, dashboards, and responsive interfaces with a focus on usability.
- Collaborated with Product Managers, Engineers, and stakeholders throughout the product lifecycle.
- Contributed to design systems and reusable components for scalable and consistent experiences.
- Participated in design critiques, ideation, and iterative design improvements.

Foodhub — Chennai
UI/UX Designer — Feb 2019 - Feb 2024

- Designed customer-centric web and mobile applications for food ordering platforms.
- Created user journeys, personas, and interaction flows to improve user engagement and satisfaction.
- Conducted UX research, usability testing, and heuristic evaluations to identify pain points.
- Collaborated with cross-functional teams in agile environments to deliver high-quality product experiences.
- Ensured consistency by maintaining UI standards and reusable design components.

SPi-Global — Chennai
Senior Graphic Designer — Dec 2016 - Feb 2019

- Designed digital and marketing assets including social media creatives, promotional materials, and campaign visuals.
- Worked closely with marketing teams to maintain brand consistency across digital channels.
- Produced creative designs that supported product promotions and customer engagement initiatives.

Macmillan Publication — Chennai
Graphic Designer — Nov 2014 - Dec 2016

- Created visually compelling designs for publishing and marketing materials.
- Designed layouts, illustrations, and branding elements supporting editorial and promotional campaigns.

Reddo Technologies — Chennai
Graphic Designer — Sep 2011 - Oct 2014

- Designed marketing creatives, brand assets, and digital visuals for company branding initiatives.
- Supported cross-functional teams with visual design solutions for digital and print media.
