Education

Rajkiya Engineering College Sonbhadra (AKTU) 2022 – 2026
Bachelor of Technology in Computer Science and Engineering

Experience

Software Developer Intern | PigoPi Feb 2026 – Apr 2026

- Developed real-world client applications including a full-stack E-Commerce platform and an automated Report Generation System using Next.js.
- Integrated Neon DB with PostgreSQL and optimized backend performance using Bun runtime.
- Collaborated with stakeholders to build scalable, responsive, and high-performance web applications.

Frontend Developer Intern | Urlwebwala Jul 2025 – Jan 2026

- Built a React.js blog management system with complete CRUD functionality.
- Integrated the blog management system into the live production website.
- Developed a responsive portfolio website using Next.js with SEO-friendly routing.
- Created responsive frontend interfaces using React.js with mobile-first design principles.

Projects

ProConnect - Professional Networking Platform Live Link
Next.js, Node.js, Express.js, MongoDB

- Developed a full-stack professional networking platform with JWT authentication and role-based access control.
- Implemented real-time feed, connection requests, and secure media uploads using Multer.
- Applied Server-Side Rendering (SSR) to improve SEO optimization and application performance.

EstateExplorer - Venue Explorer Platform Live Link
Node.js, Express.js, MongoDB, Mapbox, Cloudinary

- Built an MVC-based marketplace platform with Passport.js authentication and role-based authorization.
- Integrated Mapbox for geolocation services and Cloudinary for cloud image storage.
- Implemented data validation and schema management using Joi and Mongoose middleware.

Technical Skills

Frontend: HTML, CSS, JavaScript (ES6+), React.js, Next.js, Tailwind CSS
Backend: Node.js, Express.js, REST APIs, JWT Authentication, Passport.js
Database: MongoDB, MySQL, PostgreSQL, Neon DB
Tools: Git, GitHub, VS Code, Thunder Client, Cloudinary, Mapbox
Programming Languages: C, Java, Object-Oriented Programming (OOP), Data Structures and Algorithms (DSA)
