Leadership: Team Leadership, Cross-Functional Collaboration, Agile Workflow, Developer Handoff, Stakeholder Communication

PROFESSIONAL EXPERIENCE

Ninestars Information Technology- Senior Engineering UI/UX Designer (R&D)

July 2023 – Present, Bangalore

- Lead **end-to-end UX strategy** for enterprise AI platforms focused on automation, Intelligent Document Processing (IDP), ML/OCR workflows, and legacy modernization.
- Designed scalable UX for Fabric, IAP, Vault, IDP, DSX, PROOPX, ICP, AGX, Nexus, SCALE, AuditX, DMV, and AOTM GPT (Web & Mobile).
- Transformed data-heavy ML and OCR systems into streamlined, enterprise-grade UI frameworks and reusable design systems.
- Delivered UX for Digitail Platform Infilter (Campaign & Application Management), Repideo (Mobile App Generator), Divo, dating and e-commerce applications.
- Contributed to large-scale products including The Hindu News App, AirFlay Airport Boarding App, and Hello Britty GPT App.

- Created product demo videos, UI walkthroughs, and visual presentations to support product launches, client demonstrations, and stakeholder communication.
- Led design team execution, ensured delivery quality, and supported client presentations and multi-product releases.

Bright Bytes Fintech Private Limited - Senior UI/UX Designer

May 2021 - May 2023, Nagercoil

- Led UX design for fintech mobile and web platforms from research and wireframing to high-fidelity prototypes and developer handoff.
- Designed and launched multiple digital products including Al Izza Money App, e-commies application, and other fintech/e-commerce apps.
- Created brand identity and marketing assets including logos, flyers, brochures, pitch decks, and product mockups.
- Worked with international clients across South Africa, Germany, Spain, and Saudi Arabia delivering scalable global UX solutions.

Global EyeT Software Solutions Pvt Ltd - UI/UX Designer

Feb 2020 - Mar 2021, Thiruvananthapuram

- Contributed to UX strategy and UI design for web platforms and digital solutions.
- Conducted UX research and created wireframes, UI designs, and prototypes.
- Delivered marketing collaterals and branding assets supporting product identity.

Global Mantra Innovations (later QurHealth Solutions, associated with Ventech Solutions Inc.) - UI/UX & Graphics Designer

Sep 2017 - Aug 2019, Chennai

- Designed UI/UX solutions for compliance-driven healthcare and US Federal systems.
- Led brand identity, infographic design, and documentation layouts for enterprise solutions.
- Produced presentations, reports, and marketing materials for product communication.

InDemand Infotech Pvt Ltd - UI & Graphics Designer

Jul 2014 - Aug 2017, Chennai

- Managed UI and branding across multiple IT products including iCRM+, iSocial+, and iLoyalty+.
- Designed website interfaces, wireframes, infographics, product videos, and marketing materials.
- Delivered brochures, presentations, flyers, and promotional assets supporting product launches.

Teledata Technology Solutions Ltd - Graphic Designer – E-Learning Project

Jul 2013 - Mar 2014, Chennai

- Designed interactive modules for a CBSE-aligned e-learning media platform (Grades 1–12).
- Developed 2D animations using Adobe Flash for educational content.
- Created UI layouts, storyboards, and visual assets for interactive learning modules.
- Delivered implementation-ready graphics and animations, collaborating with developers to ensure smooth deployment of e-learning modules.

KEY PROJECTS

VisionFlix – Spatial Streaming Experience– UI/UX Design Project

Immersive Spatial Streaming Case Study for Apple Vision Pro (AR/VR/MR) - 2 Month

- Reimagined 2D streaming into immersive spatial UX.
- Designed gaze, gesture, and depth-based interaction models.
- Built scalable product architecture concept including recommendation systems and multi-device integration.

AI-Based Online Examination & Digital Evaluation System – 3 Week

- Designed full-stack automated exam workflow: question generation, AI-based evaluation, scanning, analytics.
- Implemented multi-role secure access (Admin, Instructor, Examiner, Reviewer).
- Reduced manual workload via automated marking and digital review pipeline.

DocuStream AI – Intelligent OCR Platform – 5 Month

- Designed enterprise AI-powered OCR system with 99.5% extraction accuracy.
- Built UX for batch processing, confidence scoring, error workflows, and real-time tracking.
- Architected multi-tenant features, REST API integrations, multilingual support, and secure document handling.
- Enabled high-volume batch uploads and asynchronous processing for enterprise scalability.

EDUCATION

Master of Computer Application (MCA)

Alagappa University - 2015-2019, Chennai

Bachelor of Computer Application (BCA)

Alagappa University - 2013-2015, Chennai

Diploma in Computer Engineering

Morning Star Polytechnic College - 2009-2011, Nagercoil

Master Diploma in Multimedia & Animation

CCS COMPUTER EDUCATION- 2012-2013, Marthandam

Achievement

- Awarded **Star Employee of the Month** at Ninestars Information Technology for excellence in AI platform UX and cross-functional delivery.
