Lokesh Vishwakarma Lokesh Vishwakarma

Summary

Motivated and detail-oriented **Computer Science Engineering student** with strong interest in **backend development and server-side technologies**. Passionate about building reliable, efficient, and scalable backend systems using clean logic and structured programming. Eager to learn more about databases, backend frameworks, and application performance. Enthusiastic learner with a focus on **problem-solving, teamwork**, and continuous improvement to deliver **high-quality backend solutions**

Education

Malwa Institute of Technology, RGPV — Aug 2022 – Present
B.Tech in Computer Science

Sharswati Shishu Vidhya Mandir School, MPBSE — Jul 2021 – Mar 2022
XII Board Examination — Percentage: 66%

Arunodaya Vidhya Mandir School, MPBSE — Jul 2019 – Mar 2020
X Board Examination — Percentage: 75%

Project

- **Student Management System**
  - – Developed a student data management application featuring secure Login and Registration modules to control user access and maintain data privacy.
  - – Implemented complete CRUD operations including Insert, Search, Update, and Delete, allowing efficient management of student academic and personal records.
  - – Designed a ShowAll module to display all student entries in a structured and organized format for quick overview and management.
  - – Added a Logout feature to ensure secure session handling and prevent unauthorized access.
  - – Built a clean and user-friendly interface with easy navigation for smooth interaction across all modules.
  - – Integrated backend logic with database connectivity for accurate data storage, fast retrieval, and error-free . operations.

Technical Skills

- Programming Language: Java
- Web Development: HTML, CSS, JavaScript
- Databases: MySQL
- Developer Tools & Platforms: VS Code, Netbeans
- Other Skills: Problem Solving, OOP's Concepts, Servlet, JDBC,JSP

Hobbies

- Debugging and Code Optimization
- Continuous Self-Learning and Skill Improvement
- Exploring New Technologies
