PROFILE

Enthusiastic Computer Science undergraduate and Python Developer with hands-on experience in building scalable web applications using Flask. Skilled in writing clean, maintainable code, database management, API integration, and problem-solving. Passionate about full-stack development and learning new technologies.

EDUCATION

Bachelor of Technology - Computer Science 2022 – 2026
Shri Vaishnav Vidhyapeeth Vishwavidhyalaya,Indore CGPA- 8.0

Senior Secondary Education 2022
Government H.S. School, Ozhar 86.4%

Secondary Education 2020
Government H.S. School, Ozhar 96.6%

SKILLS

- **Programming Languages:** Python, C, HTML , CSS
- **Databases:** SQL, Django ORM (select_related, prefetch_related, query optimization)
- **Core Concepts:** Object-Oriented Programming (OOP).
- **Frameworks & Tools:** REST APIs, DRF, (basic) Docker, Git/GitHub, JWT auth

CERTIFICATES

- Google Cloud Arcade (Skill Badges)
- NPTEL – Cloud Computing
- NPTEL– Soft Skills (2024)
- NPTEL –Programming in Python

PROJECTS

05/2025 – 06/2025

Personal Finance Management System (Django)

- Developed a full-stack web application for managing income, expenses, and savings.
- Implemented user authentication using Django's built-in auth system with secure password hashing and session management.
- Designed models and views for CRUD operations on financial transactions using Django ORM with SQLite database.Used Django templates, URL routing, and app-based structure for clean, scalable project organization.

08/2025 – 09/2025

Task Manager Web Application (Python, Django)

- Developed a web-based task management system using Django framework.
- Implemented CRUD functionality for managing tasks using Django ORM.
- Designed backend logic using views and models with SQLite database.

Job Portal Web Application (Python, Django) 12/2025 – 02/2026

- Developed a web-based job portal where employers can post job listings and candidates can apply online..
- Implemented backend using Django models, views, and templates with SQLite database.
- Enabled resume upload and application tracking using ORM.

EXTRACURRICULAR ACTIVITIES

- Participated in Kausal 2.0 (Web development workshop)
