PROFILE

Final-year Electronics & Communication Engineering student with hands-on experience in full-stack and frontend web development using React.js, Next.js, APIs, and SQL. Skilled in building responsive web applications, integrating APIs, and solving real-world problems through software solutions. Passionate about software development and eager to contribute to scalable product engineering teams.

EDUCATION

B.Tech - Electronics and Communication Engineering 2022 – 2026
Heritage Institute of Technology, Kolkata
CGPA: 8.01

Higher Secondary Education 2022
Jharkhand Inter College
Percentage: 82.2%

Secondary School Education 2020
ST. Thomas High School, Dhanbad
Percentage: 68.8%

EXPERIENCE

Frontend Developer Intern
VulnShields Consulting Pvt. Ltd. | Jun 2025 - Jul 2025
- Worked on frontend development and UI enhancement tasks for web applications
- Integrated APIs and handled real-time data rendering
- Collaborated with developers to improve workflow efficiency and debugging
- Contributed to responsive and user-friendly web interfaces

PROJECTS

Career Guidance Platform
- Developed a full-stack web application using React.js and Next.js for personalized career recommendations
- Implemented user authentication and secure session management
- Integrated REST APIs for dynamic data handling and real-time responses
- Designed responsive and user-friendly interfaces for better user experience
- Improved frontend architecture for scalability and maintainability

Data Analysis Project (Fraud Detection using ML)
- Built a fraud detection model using Logistic Regression
- Performed data preprocessing and handled imbalanced datasets
- Achieved ~90% testing accuracy using Python and Scikit-learn
- Used Pandas and NumPy for data analysis and feature engineering

TECHNICAL SKILLS

Languages — Java, JavaScript, HTML, CSS

Web Technologies — React.js, Next.js, REST APIs

Databases & Tools — SQL, MySQL, Git, GitHub, MS Excel

Core Concepts — OOP, DSA, Computer Networks

CERTIFICATES

- SQL (Intermediate) - HackerRank
- MS Excel - Simplilearn(Powered by Microsoft)

ACHIEVEMENTS

NSS Coordinator
- Managed participant data and coordinated events efficiently.

Throwball Team Captain
- Led team to win college-level championship.

HackHeritage 2024 Hackathon
- Participated in team-based problem solving under time constraints.
